You are entitled to a price estimate for the repairs you have authorized. The repair price may be less than the estimate, but will not exceed the estimate without your permission. Your signature will indicate your estimate selection.
Teardown estimate - I understand that my car will be reassembled within _____ days of the date shown if I choose not to authorize the services recommended.

- I request an estimate in writing before you begin repairs.
- Please proceed with repairs, but call me before continuing if the price will exceed \$_____.
- I do not want an estimate.

I hereby authorize the above repair work to be done along with the necessary material, and hereby grant you and / or your employees permission to operate the car or truck herein described on streets, highways or elsewhere for the purpose of testing and / or inspection. An express mechanic's lien is hereby acknowledged on above car or truck to secure the amount of repairs thereto.

Adjustment	641393, 641293, R105-3C & shipping billed twice	1	-79.46	-79.46	T
Labor - Brian O.	Helped install engine/trans.	1.25	60.00	75.00	T
Labor - Brian O.	Bolted on drivelines.	2	60.00	120.00	T

Labor - Brian O.	Installed air ducts under fenders (had to drill stud out on lf where strap bolts to the inside of fenders).	3	60.00	180.00	T
Labor - Brian O.	Made heat shield for right side.	1.75	60.00	105.00	T
Labor - Dan	Modify new exhaust system to fit car and tack together, fab new air director fro defroster in heater box, install heater box & control cables, install glove box slier mount assemble gauges into dash & glove box lock.	10	60.00	600.00	T
Labor - Dan	Repair & clean up header collectors, cut off mild steel parts on collectors & fab new from stainless, fit to exhaust system & weld up exhaust & collectors, rebuild & flare clutch hard line & hook-up.	8.5	60.00	510.00	T
Labor - Brian O.	Made left side heat shield, finished fitting and trimming on right side.	4	60.00	240.00	T
Labor - Brian O.	Made splash shields for inner fender welds.	3.75	60.00	225.00	T
Labor - Dan	Installed complete front suspension less sway bar, installed rear shocks, cleaned up shock to caps in trunk & installed, installed complete exhaust system to check for fit, tailpipes need to be shortened.	9	60.00	540.00	T
Labor - Brian O.	Made alum plate for mount on plastic piece under steering column. epoxied and riveted on.	1	60.00	60.00	T
Labor - Brian O.	Fabricate exhaust clamps.	5.5	60.00	330.00	T
Labor - Brian O.	Fabricate trim ring for arm rest.	4.5	60.00	270.00	T
Labor - Dan	Bleed brakes & repaired leaks, bled clutch & repaired leaks, adjusted brake compensator & hooked up, installed shield, installed left cam cover & end caps, installed some hose clamps, picked up more nuts & bolts, started assembly of air cleaner unit.	11.5	60.00	690.00	T
Labor - Brian O.	Fabricate trim pieces for arm rests.	4	60.00	240.00	T
Labor - Brian O.	Fabricate trim pieces for door handles.	3.5	60.00	210.00	T
Labor - Brian O.	Made battery hold down.	1.75	60.00	105.00	T
Labor - Dan	Install clamps on header collectors, shorten tail pipes & reclock tips, install	12	60.00	720.00	T

	<i>left side exhaust final time, apply sealer to fuel tank, set tank into place, install rad expansion tanks and rad hoses, install heater hoses, install hose clamps on all hoses, install alternator belt, fab & route choke cable, install over flow hose.</i>				
Labor - Dennis	<i>Install E-brake cable mechanism, sort out wiring, help check out car when started.</i>	5.5	60.00	330.00	T
Labor - Brian O.	<i>Radiused edges on door handle trim, welded crack in arm rest trim.</i>	0.5	60.00	30.00	T
Labor - Brian O.	<i>Drilled and tapped holes in air cleaner base that hold cap on, put bolts in for studs, made nurlled nuts for air cleaner tap, made pulley for air cleaner base for choke cable, put studs on carbs for air cleaner base, put adel clamps on choke cable.</i>	5.5	60.00	330.00	T
Labor - Brian O.	<i>Made bushing for windshield frame.</i>	0.75	60.00	45.00	T
Labor - Dan	<i>Repair broken mount bolt for fuel tank strap, install tank straps, modify one tail pipe mount & install right side tail pipe, hook up ignition switch wires, hook up console wires, figure out wiring problems, replace coolant fan relay, fire up engine, check for leaks, make sure everything works, water temp sensor for gauge is bad, figured out & repair wiring problem with alternator.</i>	12.5	60.00	750.00	T
Labor - Dennis	<i>Fit windscreen, fit asst body pcs, continue sorting wiring, run transmission.</i>	10.5	60.00	630.00	T
Labor - Brian O.	<i>Drilled hole in mt for rad, made bushing, put bolt in, installed air cleaner, figured out hook up for choke cable, made bigger pulley for choke, lengthened wire for back-up light that hooks to tranny, installed splash guards, glued rubber to edges first, epoxied centers to wheel spinner nuts, helped install window/frame, drilled holes for heat shields and installed.</i>	8.75	60.00	525.00	T
Labor - Dan	<i>Removed cowl & wiper assembly used new gear & gear arm to old motor to repair wiper assembly & installed cowl, installed windshield into frame & install complete assembly, put all mounting screws in dash, repaired courtesy</i>	12	60.00	720.00	T

	<i>lights, fired up engine, & check trans for all gears, noise, etc.</i>					
Labor - Dennis	<i>Install door glass, fit hood & adj latches, mask & apply 1st coat of paint to top frame.</i>	4	60.00	240.00	T	
Labor - Brian O.	<i>Made bolts for lower part of wing windows, assembled frames and put into door.</i>	5	60.00	300.00	T	
Labor - Brian O.	<i>Installed front sway bar.</i>	1.25	60.00	75.00	T	
Labor - Brian O.	<i>Helped install hood, painted hood prop & spring.</i>	1.25	60.00	75.00	T	
Labor - Dan	<i>Install & adjust hood, figure out problem with indicator light for alternator assemble & install left front turn signals/ park light, help Dennis with windows into doors.</i>	8.5	60.00	510.00	T	
Labor - Dan	<i>Install door seals & trim on windshield frame, fire up car & run to temp, check for leaks, repair leaking fuel filter, pick-up interior parts from upholsterer.</i>	7	60.00	420.00	T	
Labor - Dennis	<i>Measure & fit door panels, install driver door, test wiring, adjust windscreen - driver side.</i>	13.5	60.00	810.00	T	
Labor - Brian O.	<i>Put seats together.</i>	5	60.00	300.00	T	
Labor - Brian O.	<i>Helped Dan w/taking window out, cutting rubber trim and putting back on car.</i>	1.5	60.00	90.00	T	
Labor - Brian O.	<i>Fixed door handle.</i>	1.5	60.00	90.00	T	
Labor - Brian O.	<i>Changed brackets on sun visors.</i>	1	60.00	60.00	T	
Labor - Brian O.	<i>Made glove box.</i>	2	60.00	120.00	T	
Labor - Brian O.	<i>Made rubber blocks for rear bumper and bolted in.</i>	1	60.00	60.00	T	
Labor - Dan	<i>Help Dennis install left door & adjust, assemble & install front & rear bumpers lay out design of glove box, remove windshield & modify gasket so lower trim locks in, adjust cowl piece to line-up with hood, install kick panels & cold air vents, go to hardware store & get more screws.</i>	15	60.00	900.00	T	
Labor - Dennis	<i>Swap head lamps, work on armrests, install top latches, install top to car, install trunk lid, install passenger door.</i>	13.5	60.00	810.00	T	

Labor - Brian O.	<i>Extended lever on glove box lock, made panels for glove box, made rubber blocks for front bumper, made mount for license plate, made bracket for insert on center console, installed trunk lid emblem, made bracket to shut of int light, helped install rt door and adjust, installed sun visors, helped install top, scuffed up console panels for bill.</i>	13.25	60.00	795.00	T
Labor - Dan	<i>Mount radio antenna in trunk & route wires & cable polish trim for arm rests, assemble console & switch panel including making solid mount for radio, clean up & iinstall horn button, fab spring for horn botton, help Dennis install right door,& adjust, go to store & pick-up antenna & speakers & hardware, install top to make sure everything works.</i>	14	60.00	840.00	T
Labor - Dennis	<i>Finish assembling door panels w/armrests, install seats, seat belts, finish adj. passenger door, install top, install top boot, install trim, finish detailing.</i>	16.5	60.00	990.00	T
Labor - Brian R.	<i>Alignment</i>	2	60.00	120.00	T
Labor - Brian O.	<i>Helped install top, slotted holes in steering column cover, installed column cover at firewall, changed bolts on deck lid hinges, installed trim on door sills, installed seat belts, cleaned up and painted battery cover, put wing window latches on, glued on left side, helped Dennis adjust passenger door, put cover over latch in trunk, installed rear view mirror, glue trim pieces to door handles, installed misc. trim / int panels.</i>	11	60.00	660.00	T
Labor - Dan	<i>Remove top for upholster access to back seat, install rocker trim, install driver's seat, install steering column leather cover, put on tires & wheels & put car on ground, install top, modify & install top boot, machine seat belt bolts & install, install shifter boot & ask tray, paint & install dash end filler pieces, paint & install glove box, help Bill with interior, clean outside & inside of car.</i>	20	60.00	1,200.00	T
Credit	<i>Less balance of original deposit</i>	1	-2,000.00	-2,000.00	T
