Operation/Part	Description	Quantity	Part	Labor	Other	Amount
BOD-L	Labor - Body Components- Install customers seat belts. Mount in holes already made in rear seat side panels. Welded nuts to large washers and installed behind side panels for added resistance to tearing through panels. Positions where previous holes were made are not structural mounting points. Seat belts provided did not function well. Installed a better functioning set of belts.	4.000	0.00	165.00	0.00	660.00
