This certificate was issued from the Rootes Archive Centre Trust on 4/4/2025.

Dr. R.J. Allan, Ph.D. M.Inst.P. (Archivist and Historian)

The Rootes Archive Centre Trust certifies that the details given above are compiled from an entry in the original factory records for the vehicle with the chassis number specified. This certificate does not constitute verification of the present condition of a specific vehicle. It also does not contribute to any claim of current ownership. These are the details of the car as it left the assembly line. Cars were sometimes

modified by the manufacturer after production and prior to shipment or by the dealers.

This certificate was produced in association with The Sunbeam Tiger Owners' Club.

SUNBEAM TIGER OWNERS ASSOCIATION

Certificate of Authenticity

This Certificate is issued to the vehicle described herein, as having met the requisite standards and criteria necessary for validation as an original "SUNBEAM TIGER" manufactured by **Rootes Group Ltd.** and **Jensen Motors Ltd.** The validation process includes, but is not limited to a thorough visual examination of the specific elements, features, and methodology used by the manufacturer to create the "TIGER". This validation process is intended to identify vehicles which have retained the features of the original **TIGER** chassis. NOTE: In cases where ID tags have been removed and reattached to the vehicle. It is not possible to certify that these items are the originals, but simply that the basic unibody is a **TIGER**, and is so noted herein.

SERIAL No. B382/00218 LRXFE
