Subject: CLAIM NO. FN009445: FINAL PHOTOGRAPHS OF REPAIR.

Jane,

The car is finally finished and attached are photos of the results. They were taken in the sun and shade to show the difference in appearance.

We took it down to bare metal, repaired all of the corrosion and repainted it dark red, keeping the paint and body work done as it might have been in 1958.

If you need more information, please let me know.

Thanks again for your help and patience.

Best Regards,

David Love
