## HEALEY MOTOR NEWS

Healey Motor News is the official publication of the Austin-Healey Association, a non-profit California Corporation. Subscription to Healey Motor News is a membership benefit and is available only to club members. All materials appearing in HMN are the property of the club and may not be reprinted or reproduced without the written permission of the editor except that other club newsletters may reproduce any original material, provided full credit is given to the author and HMN.

Membership in the Austin-Healey Association is open to all persons, whether or not they own an Austin-Healey. For information about becoming a member, please contact the Membership Chairman listed below.

### Advertising Rates:

The advertising rates for Healey Motor News are as follows:

business cards	\$ 7.00/insertion
1/8 page (2 1/4" X 1 1/4")	9.00/insertion
1/4 page (3 1/2" X 5")	14.00/insertion
1/2 page (5" X 7 1/2")	20.00/insertion
full page (10" X 7 1/2")	40.00/insertion

All rates are for camera ready art. Typing and layout are available at additional fees. A full year's rate (12 issues) is ten times the individual rate if paid in advance. All insertions must be accompanied by payment in full. Closing date is the 15th of the month preceding the issue date.

While dissemination of technical information is a primary purpose of Healey Motor News, any maintenance or modification information published in Healey Motor News should be weighed against conventional, generally accepted practices. This newsletter and its contributors assume no liability for the accuracy or legality of any technical article appearing herein.

## Cover Story

They're still out there! Pictured on the cover is a 100-4 that was purchased recently by Ken Deringer for \$500.00! True, a few years ago this would have been relegated to a "parts car". But now, things being what they are, Ken is determined to do a complete restoration on this car.
