16 This is an estimate for the work described. It is not to be construed as a firm quote for the price contained herein. The nature of restoration work often requires disassembly beyond visual inspection at which time components can be fully evaluated. Additional work discovered during this process is beyond the scope of this initial estimate. Please note our +/- 20% contingency included to address the nature of our work per our terms and conditions statement above the acceptance signature area of this estimate. Additional time and/or parts and materials may be needed to properly complete the job. Should this occur, we will advise you, request approval, and amend the estimate accordingly. For this reason, the final price of the completed work may differ from the estimate as of this date.

18 I. GENERAL NOTES

Now what is needed to make this car not only look but perform like a prize winning Maserati Ghibli SS. Go and show reliability is the focus.

ACCEPTANCE

I do hereby authorize the preceding repair/restoration work to be done along with all necessary parts and materials. You and your employees may operate the vehicle for purposes of testing, inspection and delivery at my risk. An express mechanics lien is acknowledged on the vehicle to secure or partially secure the amount of repairs thereto. It is understood that I will be held responsible for any cost of collection or legal expense in any way relating to these repairs. I agree to that any controversy or claim arising out of or relating to this agreement, or the breach of this agreement, shall be settled by arbitration in accordance with the rules of the American Arbitrations Association. A judgment of a court having jurisdiction may be entered upon the arbitrator's award. I agree to pay interest on any balances remaining unpaid after 30 days at the standard Automotive Restorations Inc. invoicing rate applicable to the period of time the debt exists. It is also understood that Automotive Restorations Inc. it's officers, agents or employees will not be held responsible for loss or damage to cars or articles left in cars due to fire, theft, or any other cause beyond their control. I will maintain insurance on the vehicle for the period of time it is in the custody of Automotive Restorations Inc. Parts, materials and labor prices are current and subject to change. Occasionally worn or damaged parts/areas are discovered which are not evident on initial inspection. For these reasons the above prices are not guaranteed. The figures provided are an estimate of the time needed invoiced at our labor rate, plus the cost of parts and materials expected to be required. Due to the nature of restoration work all figures given are offered as guidelines only and are subject to a +/- 20% cost range for the specific parts/labor/materials described in this document. We may find work, parts and materials needed that are not described in this document. Should this occur, we will advise of any additional work needed not described herein to seek authorization prior to undertaking repair.

I HAVE READ THE FOREGOING AND AGREE TO THE TERMS STATED THEREIN.
