BY LAW, YOU MAY CHOOSE ANOTHER LICENSED SMOG CHECK FACILITY TO PERFORM ANY NEEDED REPAIRS OR ADJUSTMENTS WHICH THE SMOG CHECK TEST INDICATES ARE NECESSARY. SUBJECT TO TERMS AND CONDITIONS LISTED ON REVERSE SIDE. PLEASE READ REVERSE SIDE.

I, the registered vehicle owner, hereby authorize the repair work herein set forth to be done with the necessary material and agree that you are not responsible for any delays caused by unavailability of parts or delays in parts shipments by the supplier or transporter. I hereby grant you and/or your employees permission to operate the vehicle herein described on streets, highways or elsewhere for the purpose of testing and/or inspection. An express mechanic's lien is hereby acknowledged on the above vehicle to secure the amount of repairs thereto. I hereby appoint LOS GATOS LUXURY CARS as my attorney in fact and empower you to negotiate and cash any draft or instrument issued in payment of this repair order by any third party in my name and to sign my name thereto. Receipt of vehicle described herein for repair or alteration is hereby acknowledged by dealer. Said customer is hereby notified that the said property, or its contents, is not insured or protected to the amount of actual cash value thereof, or otherwise, by the undersigned dealer against loss occasioned by theft, fire or vandalism while the property remains with the dealer. Customer states no articles of personal property have been left in the vehicle, and the dealer is not responsible for inspection thereof. Customer will be responsible for payment of reasonable attorney fees and costs in the event suit is brought for collection. I authorize warranty work to be performed on my vehicle. In the event that any work performed is not accepted for warranty payment by the manufacturer, then I, the customer, will be held responsible for the outstanding balance. This agreement in no way limits your warranty coverage. If this situation does occur, then you will receive documentation of denied warranty for your records.

WARNING Motor vehicles contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. These chemicals are contained in many vehicle components and replacement parts, vehicle fluids, and paints and materials used to maintain vehicles, including, but not limited to, fuel, oil, batteries, brakes, and wheel balancing weights. When you service, clean or maintain your car, you will be exposed to listed chemicals contained in used oil, waste and replacement fluids, tires, grease, grime, touch-up paint, certain replacement parts, and particulates from component wear. When we service your car, we will return used components to you upon request. Used parts and components contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. To minimize your exposure when servicing, maintaining or cleaning your vehicle: 1) work in a well ventilated area; 2) do not smoke, drink or eat while working; 3) wash your hands when finished or when taking a break; and 4) follow all manufacturer instructions pertaining to proper use and maintenance of motor vehicles and vehicle components. (Posted in accordance with Proposition 65 in Cal. Health & Safety Code §25249.5 et seq.) For further information about Proposition 65: <http://www.oehha.org/prop65.html>.

WARNING: Motor vehicles contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. These chemicals are contained in many vehicle components and replacement parts, vehicle fluids, and paints and materials used to maintain vehicles, including but not limited to, fuel, oil, batteries, brakes, and wheel balancing weights. When you service, clean or maintain your car, you will be exposed to listed chemicals contained in used oil, waste and replacement fluids, fumes, greases, grime, touch-up paint, certain replacement parts, and particulates from component wear. When we service your car, we will reuse used components to you upon request. Used parts and components contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. To minimize your exposure when servicing, maintaining or cleaning your vehicle: 1) work in a well-ventilated area; 2) do not smoke, drink or eat while working; 3) wash your hands when finished or when taking a break; and 4) follow all manufacturer instructions pertaining to proper use and maintenance of motor vehicles and vehicle components. WARNING: Motor vehicles contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. These chemicals are contained in many vehicle components and replacement parts, vehicle fluids, and paints and materials used to maintain vehicles, including, but not limited to, fuel, oil, batteries, brakes, and wheel balancing weights. When you service, clean or maintain your car, you will be exposed to listed chemicals contained in used oil, waste and replacement fluids, fumes, grease, grime, touch-up paint, certain replacement parts, and particulates from component wear. When we service your car, we will return used components to you upon request. Used parts and components contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. To minimize your exposure when servicing, maintaining or cleaning your vehicle: 1) work in a well-ventilated area; 2) do not smoke, drink or eat while working; 3) wash your hands when finished or when taking a break; and 4) follow all manufacturer instructions pertaining to proper use and maintenance of motor vehicles and vehicle components.
