**SHELBY SERIAL #:**            **SFM5S077**

**NAME:**                    **Spencer Trenery**

**DATE OF REQUEST:**        **March 17, 2021**

Regarding the serial numbers you provided, the Ford serial number corresponds with the Shelby serial number we have on file. The files we referenced came directly from the Shelby American factory records.

The Shelby American Automobile Club cannot verify that this particular vehicle is legitimate or genuine without a physical inspection of the car, which we do not do. The matching serial numbers in this case are one indicator of the genuineness of the car. Based on this one indicator, the Shelby American Automobile Club sees nothing to indicate a problem.
