Anaheim, CA 92801

Dear Mr. Stevenson:

Confirming our April 28, 1980 telephone call,
Bridgewater's 1947 Chrysler T & C will be completed May
16, 1980. Per our September 8, 1978 contract, as
amended December 14, 1979.

I will arrange to inspect the completed car that day or
shortly thereafter. The balance due (per enclosed
Statement of Account) shall be remitted as agreed.

Very truly yours,

LESTER H. N. BURNHAM

Dear

Picked up the prints today
of your photos of the rear of your
T+C sedan - They look very good.

Your copy of the negatives is enclosed

Thanks very much again for
all your help - Let me know if
I can return the favor here.

Sincerely

Bud Burnham

RHODE ISLAND WIRING SERVICE, INC.

P.O. BOX 398
WEST KINGSTON, RHODE ISLAND 02892
(401) 789-1955

To our past customers:

During the past several years, you were one of the many customers who supported our efforts and made it possible for us to continue providing, what we believe to be, the finest wiring harnesses presently available to the automotive restoration market.

In appreciation of this, we are turning to our previous customers and their friends, first, in making the following offer of the finest quality BOOSTER CABLES presently available and pricing them far below their retail market value. Moreover, we are providing you with a choice of lengths longer than those normally found in retail stores.

These are made of premium quality 4 guage copper welding cable with specially compounded covering providing maximum flexibility during extreme weather conditions and maximum durability, resisting oil, acids, ozone and chemicals. The clamps are color coded and fully insulated with chip proof PVC. The contacts are 400 AMP solid copper. To this we have added our own colorful cotton braided covering.

We realize this offer is not for everyone, but we do hope you will recognize their value and quality. As you are aware, their value lies not only in price, but in having or not having a set when you most need them. Most of us have experienced such a time or even having a poorly constructed set come apart in the hands during that moment of frustration.

Please use the order form below when ordering. We will be able to hold these prices as long as the material costs remain fairly constant. We thank you for your past patronage and we look forward to serving you in the future.

With this letter we send our best wishes to you for the 80's.

Sincerely,

RECEIVED FEB 19 1980

January 8, 1980

Mr. Charles Smith
Acme Glass & Screen
960 E. Orangethorpe (E)
Anaheim, CA 92801

Dear Mr. Smith:

Attached are copies of the Bridgewater/Master Coachworks contract and payment history to date. As you can see the wood is paid while the balance represents the paint, upholstery and reassemble (glass) items added at Earl Stevenson's request. Reluctantly, we added these items and shipped the frame due to Mr. Stevenson's plea for additional funds.

Most of the car is in your shop *excluding body* door mechanisms, chrome and dash. January 5, 1980 we went the balance of the materials required (carpet, jute, windlace, floor seal) as well hood hinges, headliner bow, body fasteners, interior trim patterns and samples.

Additional fasteners, trim and floor seal together with data sheets will be sent to your attention this week.

Please advise should you require any further data.

Very truly yours,

Dear Mr. Stevenson

The enclosed statement represents the financial terms of our recent agreement. As agreed I am remitting \$1,000.00 to your landlord, Richard C. Hunsaker, representing current rent for the period December 15-31, 1979, as agreed with yourself and your landlord. Miss Hunsaker further agreed to defer your \$5,000.00 past due balance over a period and at such terms that will be mutually acceptable to both of you.

We have agreed that my 1947 Chrysler Town & Country sedan will be completed and available for pickup no later than January 15, 1980.

We further agreed that in return for this additional support and agreement and other services relating to other customers you will restore an automobile of my choice at a cost not exceeding initial purchase price.

Having not received your written reply to the contrary by December 21, 1979 this letter confirms our agreement. Your negotiation of the enclosed check 2210 for \$500.00 also confirms this agreement.

Very Truly Yours

All materials including wood, fasteners, and finishing materials plus all labor shall be included by Master Crafters in the above price.

Master Crafters shall advise Bridgewater of the milestone achievements by submitting an invoice per the above schedule. Bridgewater reserves the right to inspect the work in progress as to quality and schedule during normal working hours.

Master Crafters agrees to deliver a quality of wood reproduction adequate to score 90-100 show points.

Master Crafters shall retain the old wood as patterns for future projects.

Please acknowledge the above by executing the enclosed copy of this letter and returning it. Thank you. We are looking forward to a mutually profitable future.

September 19, 1978

Mr. Earl Stevenson
President
California Master Crafters, Inc.
970 East Orangethorpe
Anaheim, CA 92801

Dear Mr. Stevenson:

This letter outlines our mutual understanding regarding the wood reproduction services to be provided by California Master Crafters, Inc. and yourself.

Bridgewater Associates shall deliver a 1947 Crysler Town and Country four door sedan body cowl, on or before October 30, 1978, for the purpose of Master Crafters performing complete reproduction of the body wood with premium grade, hand selected ash.

Bridgewater shall pay Master Crafters, or its designee, Four Thousand Dollars (\$4,000.00) for the total wood restoration services which shall include, but not be limited to; disassembly, cowl dip-stripping and priming, all structural and trim wood parts and accessories and shapping and fitting, assembly (including all fitting to body and accessories) and final finishing. Above payment shall be made according to the following milestones:

- \$ 500.00 Cowl stripped and primed (work finished no later than November 15, 1978)
- 1,000.00 Wood parts finished (work finished no later than December 15, 1978)
- 1,500.00 Wood parts assembled, accessories installed (work finished no later than January 15, 1979)
- 1,000.00 Wood final finished (work finished no later than January 31, 1979)

Master Coach Works Inc., will require a \$1,500.00 deposit to cover the cost of wood end dipping the above mentioned Town & Country sedan.

May 11, 1979

Mr. Rick Freeman, President /
Ricks Antique Auto
P.O. Box 662
Shawnee Mission, Kansas 66201

Dear Mr. Freeman:

November 11, 1978, we entered our order #4717 with a prepaid check of \$28.15. Four (4) items were back-ordered and one (1) item was short, leaving a \$9.88 credit on our account.

Almost six months have passed and two (2) items and the short shipment still remain unshipped.

In the meantime, our order #4782, March 16, 1979, issued against the then current catalogue 486, was held for some season. When finally shipped, the prices reflected increases ranging from 30 - 70%.

Being primarily a mail order business, we understand the inherent difficulties; however, the above delays and increases seem unreasonable. We would appreciate appropriate credit. Thank you.

Very truly yours,

May 1, 1979

Mr. Wayne Lundstrom
Lundstrom & Son
Triple "D" Ranch
Bhhler, Kansas 67522

Dear Wayne:

I received the wheels and jack today. Presume you didn't have any luck.

The following is a recap of the items on back order and paid for.

1) Exterior Trim

Front grill top bar
Coupe, left tail light housing
Windshield, center chrome trim
Cowl mirror mounts (L&R)

2) Interior Trim

"PANEL LIGHT" knob
Steering post draft pad
Roller-type door jam holder
Door jam arrester pins (3)

3) Engine

Remote heater valve
Horn mount lamination brackets (2)
Cove-style head bolts (2) (Not Paid)

Wayne Lundstrom
May 1, 1979
Page 2

Additionally I requested an old hinge-style locking gas cap and two square-style fog lights if you can find them.

The jack you sent is a strange one. Maybe you mixed my request with another. I'm sending you another picture, enclosed, of the stock jack and plate. I sand blasted the one you sent for you. Please send the above as soon as possible. Thank you.

Very truly yours,

Mr. Earl Stevenson
President
California Master Crafters, Inc.
970 East Orangethorpe
Anaheim, CA 92801

Dear Mr. Stevenson:

I am glad to hear of your progress with our 17 Chrysler
T & C.

Please send the following hardware back to us for
sandblasting and (or) refinishing:

1. Door framing brackets
2. Front door weather strip (bolt on)
3. Center body hold down studs

As agreed the front door hinge pins must be pulled, holes
oversized, and new pins installed, all prior to door
fitting.

Shoot the sand blasted metal cowl with lacquer primer
(inside, under and outside) and shoot the bottom with
several black coats, all after the metal pan repairs.

Your suggestion to ship the cowl the week of March 19,
leaving the doors, deck lid, rack, and interior trim
with you until completion the following month is acceptable.

Very truly yours,

February 1, 1979

Mr. Earl Stevenson
President
California Master Crafters, Inc.
970 East Orangethorpe
Anaheim, CA 92801

Dear Mr. Stevenson:

Per our January 25, 1979 telephone conversation you were to mail a detailed shipping schedule January 29, 1979. Please double check and confirm it was mailed on time.

Also we have not received your progress reports as promised December 15, 1978. As you are aware there is a significant penalty involved should we not achieve the promised delivery schedule.

The structural components (including: frame brackets, supports, etc.) have been ready since November, 1978 while chrome trim components need only final buffing. Interior wood trim is being held until the body is remounted.

Your expeditious reply would be appreciated. Thank you.

Very truly yours,

Dear Chris:

Rather than delay your receivable further we are making payment on the dispatched hides with the enclosed check.

When our job is in progress and the hides are pulled for processing we will return those for replacement as required.

Thank you for your patience on this matter.

Very truly yours,

BY

November 6, 1978

Mr. Chris Nerstheimer
P.O. Box #1514
Topeka, Kansas 66601

Dear Mr. Nerstheimer:

Please note the following sequence regarding your 1978 invoices. Your May 20th invoice was received May 30 and paid June 13th. Your June 13th invoice was not received until August 29th (statement) and our check #106 (\$164.80) was posted September 15th, together with inspection instructions. September 25th we advised you of our concern, holding check #106 pending a response. Your October 24th response was received October 30th.

The delay from June 13th should not rest with us. The small hides together with the barbed and textured hides exceed the amount on your June 13th invoice.

We will return those hides for your replacement.

Very truly yours,

November 2, 1978

Mr. Earl Stevenson
President
California Master Crafters, Inc.
970 East Orangethorpe
Anaheim, CA 92801

Dear Earl:

Enclosed is the revised check for the \$1,500 deposit and the initiated contract.

It may be advantageous to sand blast rather than vat strip. This will greatly reduce stresses from moving so much.

The weld work and filling can then be completed and several lacquer primers can be sprayed. I'll send you some finish color for inside and edge shooting.

Very truly yours,

October 20, 1978

Mr. Earl Stevenson
President
California Master Crafters, Inc.
970 East Orangethorpe
Anaheim, CA 92801

Dear Earl:

We received our contract, executed by you, and are proceeding as scheduled.

Enclosed please find the advance you requested. Our check #1512 for \$1,100.00 covers the white ash purchase from American Hardwood and our check #1513 is a miscellaneous advance, both which reduce the contract amount from \$4,000.00 to \$25500.00, the balance of which shall be paid according to the January, 1979 milestones.

We have an inquiry on a second 1947 sedan and will keep you posted on our results.

Send me the details on the plymouth wagon we discussed. Thanks.

Very truly yours,

September 19, 1978

Mr. Earl Stevenson
President
California Master Crafters, Inc.
970 East Orangethorpe
Anaheim, CA 92801

Dear Mr. Stevenson:

This letter outlines our mutual understanding regarding the wood reproduction services to be provided by California Master Crafters, Inc. and yourself.

Bridgewater Associates shall deliver a 1947 Crysler Town and Country four door sedan body cowl, on or before October 30, 1978, for the purpose of Master Crafters performing complete reproduction of the body wood with premium grade, hand selected ash.

Bridgewater shall pay Master Crafters, or its designee, Four Thousand Dollars (\$4,000.00) for the total wood restoration services which shall include, but not be limited to; ~~dis~~assembly, cowl dip-stripping and priming, all structural and trim wood parts and accessories and shapping and fitting, assembly (including all fitting to body and accessories) ~~and~~ final finishing. Above payment shall be made according to the following milestones:

- \$ 500.00 Cowl stripped and primed (work finished nollater than November 15, 1978)
- 1,000.00 Wood parts finished (work finished no later than December 15, 1978)
- 1,500.00 Wood parts assembled, assessories installed (work finished no later than January 15, 1978)
- 1,000.00 Wood final finished (work finished no later than January 31, 1979)

Mr. Earl Stenenson
September 19, 1978
Page 2

All materials including wood, fasteners, and finishing materials plus all labor shall be included by Master Crafters in the above price.

Master Crafters shall advise Bridgewater of the milestone achievements by submitting an invoice per the above schedule. Bridgewater reserves the right to inspect the work in progress as to quality and schedule during normal working hours.

Master Crafters agrees to deliver a quality of wood reproduction adequate to score 90-100 show points.

Master Crafters shall retain the old wood as patterns for future projects.

Please acknowledge the above by executing the enclosed copy of this letter and returning it. Thank you. We are looking forward to a mutually profitable future.

Very truly yours,

CONFIRMED AND ACCEPTED
California Master Crafters, Inc. and
Earl Stevenson

Re: 1947 Crysler Town & Country, C-38, 4-Door Sedan

Dear Mr. Stevenson:

Thank you for your phone call today. As discussed we are considering your offer to reproduce, install and finish all of the ash on our Crysler T&C for \$4,000.00 plus the original patterns.

As mentioned we want to develop a relationship with a shop who can reproduce the wood on our projects.

We would anticipate shipping the cowl on our carrier to your shop so would need your estimate of total time required. We would include refinished hinges, door regulators and handles, hardware and new weather stripping with the cowl to allow you to properly refit all parts.

Please keep in touch with us on your scheduling

Very truly yours,

DATE April 3, 1978

SUBJECT

Dear Dennis:

Enclosed are copies of the C-38 parts catalogue section on exterior wood trim (this book is an original, revised December, 1947). As you can see only di-noc and ply metal were available. I'm also enclosing a small cutting of No.304 di-noc vinyl film which is "correct for a 1947 Crysler T&C".

Let me know how you are comming with the Robinson unit and whether I can be of any aid with patterns (wook, carpet, etc.).

I think we can work with fitting another rear quarter to the Robinson car. I'm looking forward to hearing from you.

Very truly yours,

Dear Bud:

Enclosed are copies of the parts packages from the Chrysler C-38 parts book.

Please circle the items you want me to order and I will get them now.

As long as we're doing a ground up restoration include any items you feel should be replaced anyway. (I've checked some). Return the list to me and I'll order them.

Very truly yours,
