Note: It is the purpose of any Log to display an accurate record of activities, i.e. history. A minimum of time and effort is necessary to keep it current. The result will benefit both owner, race officials, and future owners of the vehicle by clarifying its background and record. Please feel free to add any car modifications, updates, lap times, race results, etc., on this page.

In the event this vehicle is sold or transferred to a new owner, this log book must be returned to: John Jacobson, 1534 Old Coach Rd., Newark, DE 19711 for re-issue. Both old and new log books will then be sent to the new owner.
