Mr. Norman J. Brown  
1502 No. Eastside Avenue  
Santa Ana, California

Dear Mr. Brown:

Allow me to extend my sincerest congratulations on your purchase of a new Alfa Romeo. We are extremely proud of our automobiles and I feel sure that as you enjoy the many happy miles of motor-ing that your Alfa will afford, this same proudness will grow in you.

Alfa Romeo is one of the world's oldest manufacturers of auto-mobiles and has gained the reputation of producing the finest. The design and engineering are the results of years of experience gained through careful research and millions of miles of road testing and racing.

Although the Alfa Romeo has been imported into the United States for a relatively short time, our reputation preceded our cars. Henry Ford once said: "When I see an Alfa Romeo, I take off my hat!"

In order for you to enjoy your car to the fullest, we recommend you familiarize yourself with the Instruction Book provided. It will be to your advantage to be thoroughly familiar with its contents. More particularly, we draw your attention to the two free warranty inspection coupons and the follow up lubrication and maintenance operations.

Once again I say: "Welcome to the Happy Alfa Family."

Yours very truly,  
ALFA ROMEO INC.

  
Arturo Reitz,  
Vice President
