PARTS CONTENT INFORMATION FOR THIS VEHICLE**Final Assembly Point:** MARANELLO, MODENA, ITALY**Country of Origin:****Engine Parts:** ITALY**Transmission Parts:** ITALY

Final assembly, distribution, or other non-parts costs.

Vehicle is equipped with a front bumper that has been tested at an impact speed of * mph and a rear bumper that has been tested at an impact speed of * mph. The vehicle has sustained no damage to the vehicle's body and minimal damage to the bumper and attachment hardware. Minimal damage to the bumper means the bumper can be repaired with the use of common repair materials and without replacing any parts. The stronger the bumper, the less likely the car will require repair after a low speed collision. *Not tested to specifics of N.Y. Law

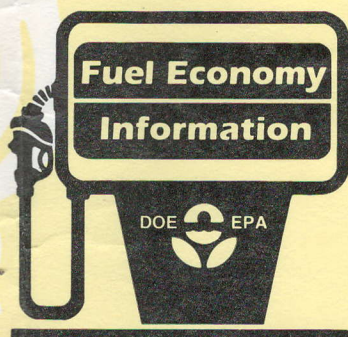

Vehicle is equipped with a bumper system that, under federal bumper standard test conditions and procedures, can withstand a frontal impact of 2.5 mph and a rear impact speed of 2.5 mph with no more damage than allowed by federal bumper standard.

Compare this vehicle to others in the **FREE GAS MILEAGE GUIDE** available at the dealer.

City MPG**11**

Actual Mileage will vary with options, driving conditions, driving habits and vehicle's condition. Results reported by EPA indicate that the majority of vehicles with these estimates will achieve between

and 13 mpg in the city, and between and 19 mpg on the highway.
