

# BMW Ultimate Care+ 1 Agreement

For a total of 48 months or 50,000 miles on a BMW vehicle

**This is not a warranty or insurance product**

Name :	Full VIN :	Purchase Price : \$2,999.00
Address:	WBS1J3C07L7H24175	Current Mileage : 508
State :	Initial in-service date verified through DCS : 1/9/2021	Model :
Year : 2020	Exterior Color : Black Sapphire Metallic	Interior Color : Black Alcantara/Leather
Contract # : 11376750	Center : Weber Motors, Fresno, Inc.	Zip : 93650-1082 Telephone #:
Contract Enrollment Date : 10/9/2021	State : CA	Address : 7171 N Palm Ave

The Program is only available for purchase on the vehicle referenced above ("Enrolled Vehicle") either: (1) before 36 months have passed since the Enrolled Vehicle was first retailed or placed into demonstrator or loaner service, or the Enrolled Vehicle reaches 36,000 miles (whichever occurs first); or (2) as an extension of an expired BMW Maintenance Program as long as the Enrolled Vehicle has not exceeded 45 months from when it was first retailed or placed into demonstrator or loaner service and has fewer than 45,000 miles; Generation of this BMW Maintenance Program Upgrade Agreement ("Agreement") and payment by you of the applicable fees means your authorized BMW Center ("Center") has registered the Enrolled Vehicle with BMW of North America, LLC ("BMW NA") for this BMW Maintenance Program Upgrade ("Program"). Your signature on the bottom of this document and your initials at the bottom of each page confirms that you understand and agree to the terms and conditions described below.

## **COVERAGE**

"Coverage" under the Program includes: (a) factory recommended maintenance as listed in your BMW Service and Warranty Information Booklet at the intervals specified by the maintenance indicator system for a total of 48 months or 50,000 miles (whichever comes first) since the Enrolled Vehicle was first retailed or placed into demonstrator or loaner service; (b) replacement of the following items due to normal wear and tear beyond the limits listed in the BMW Technical Data Information: brake linings (pads) and rotors, external drive belts, clutch disc, wiper blade inserts, and any adjustments required due to normal operating conditions (except as excluded below) or for total of 48 months or 50,000 miles (whichever comes first) since the Enrolled Vehicle was first retailed or placed into demonstrator or loaner service.

## **HOW TO OBTAIN COVERAGE**

To obtain Coverage (with the exception of roadside assistance), you must bring the Enrolled Vehicle to an authorized BMW center in the United States (including Puerto Rico) along with a signed copy of this Agreement. For assistance obtaining Coverage, please call 1-800-831-1117. All labor will be performed by BMW Factory Trained Technicians using only BMW Original Parts and BMW Approved Fluids; allowances for miscellaneous shop supplies are included and all sales or other applicable taxes assessed on the actual repair, parts or maintenance services performed under this Agreement, if any, are the responsibility of BMW NA.

All services required on the Enrolled Vehicle must be performed as recommended by BMW NA. Also, the maintenance service intervals must be followed using the BMW Maintenance System. In the event a service is missed, the Center will perform the service most appropriate for the Enrolled Vehicle when you present it for service. If you require more frequent maintenance services than at the intervals specified by the BMW Maintenance System, the cost of those additional services will not be covered under this Program. Please review your BMW Maintenance Booklet for additional information on this important subject.

The best way to contact a BMW Roadside Assistance specialist is to select Roadside Assistance in the BMW ConnectedDrive menu of the iDrive display (an active BMW Assist account is required). When requesting assistance via this process the specialist may be able to receive data from the vehicle to help determine the correct service together with your location. You can also reach us by pressing the BMW Assist ecall (SOS) button and requesting a transfer to roadside assistance. Service may also be requested using the BMW Connected App\* or by telephone with the toll-free number 1-800-332-4269. BMW Roadside Assistance is not a warranty and does not affect your rights under the BMW NA New Vehicle Limited Warranty, or this Agreement.

## **EXCLUSIONS**

# BMW Northwest

EV SSL Certificates

## Thank you for your purchase!

Thank you so much for coming to the BMW Northwest online OEM Parts store. We are glad to share our passion with you. Please choose BMW Northwest for all your future OEM part needs.

Please check your spam folder if you do not receive a confirmation email and add [parts@bmwnorthwest.com](mailto:parts@bmwnorthwest.com) to your safe senders list. Please see the contact email and phone number to the right in case you need to contact us.

Thank you again for your business!

## What's Next

[View Receipt](#) [Order Status](#)

Save your receipt and check your order status.

### 1. Order Confirmation

You should have already received an e-mail confirming the details of your purchase. The e-mail will also include a link to your order status page, which will contain up to date information regarding your order.

### 2. Order Received

You will receive another e-mail when your purchase is being processed and prepared for shipping.

### 3. Shipping Confirmation

You will get an e-mail confirming that your package is on the way. Your order status page should also be updated with tracking information at this time.

WARNING Motor vehicles contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. These chemicals are contained in many vehicle components and replacement fluids, fumes, grease, grime, touch-up paint, certain replacement parts, and particulates from component wear. When you service your car, we will return used components to you upon request. Used parts and components contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. To minimize your exposure when servicing, maintaining or cleaning your vehicle: 1) work in a well ventilated area; 2) do not smoke, drink or eat while working; 3) wash your hands when finished or when taking a break; and 4) follow all manufacturer instructions pertaining to proper use and maintenance of motor vehicles and vehicle components.
