It is the purpose of this Log to maintain an individual safety and legality history of the vehicle described within, thereby aiding continuity of information from one event to the next regardless of what region in which a race takes place. A minimum of time and cooperation is required to properly fill in the pages which will result in a higher degree of race worthiness.

It is the purpose of the SVRA Log Book to display an accurate record of racing events, activities, and history of the race car. Please keep it current, available and secure.

The result will benefit the current owner, race officials and future owners of the vehicle by clarifying its provenance and event history.

The log book is to be presented at SVRA TECH inspection with the vehicle in race ready condition.
