Your responsibilities as the registered keeper**The registered keeper is:**

- responsible for making sure the vehicle is properly registered, taxed and insured
- not necessarily the owner of the vehicle, and
- liable for the vehicle until we are told that it has been sold, transferred, scrapped* or exported.

You can use the Registration Certificate to tax your vehicle if you do not have a renewal reminder (V11 or V85/1). See 'Your Registration Certificate (V5C) and you' (INS160) for full details.

If you decide not to tax or insure your vehicle, you must keep the vehicle off the public road and make a Statutory Off Road Notification (SORN).

For more information on Stay Insured go to:
www.direct.gov.uk/stayinsured

Failure to tell DVLA of any changes may result in a fine or prosecution.

***Scrapping your vehicle**

You cannot use the V5C to tell us you have scrapped your vehicle.

You should take the vehicle to an Authorised Treatment Facility (ATF) and they should issue a Certificate of Destruction (CoD). If you do not receive a CoD immediately please fill in section 9 of the V5C and send to DVLA.

If you have broken up the vehicle yourself, you must either tax it or tell us you are keeping it off the public road by making a SORN, until you take it to an ATF
